## CILANTRO GARLIC DRESSING

---

Makes 6 servings of 2 Tbsp (each serving would include 2 tsp olive oil).  
You can add more water to decrease oil.

### Ingredients

- 1 cup fresh cilantro
- 2 cloves garlic
- ¼ cup of olive oil
- 2 Tbsp Braggs Amino Acids
- the juice of 1 lemon
- fresh ginger

### Directions

Simply put all ingredients in a mason jar and shake!

### Notes

#### Options

- this can make a great marinade or dip too. Add more or less water to thicken or thin it out.
- Don't like cilantro? You can sub in another herb...also great with basil.
